About US

Welcome to **All4vets,** your trusted companion in pet healthcare. We are dedicated to providing top-quality medicines prescribed by veterinarians, ensuring that your pet receives the best care possible.

At All4vets, we understand that pets are more than just animals—they are beloved members of the family. That's why our products are formulated with the highest standards of safety and efficacy, backed by veterinary expertise. Whether your pet needs medication for a specific condition or requires preventive care, we have a comprehensive range of solutions to meet their unique needs.

Our commitment to excellence extends beyond our products. We prioritize transparency and education, empowering pet owners like you to make informed decisions about your pet's health. Our team of experts is here to offer guidance and support every step of the way.

Join the All4vets community and experience the difference in pet healthcare. Your pet's well-being is our passion, and we're honored to be part of their journey.

Available Pack 60 SOFT CHEWS

GASTRO SUPPORT FOR PUPPIES

Gastro support soft chews are delightful treats that make a perfect addition to your pup's daily snacking routine while enhancing digestive function. Made with real chicken, wheat, rice, and vegetable protein, these soft chews also include a digestive enzyme blend, Omega-3 fatty acids, prebiotics, and probiotics that improve the digestive health of your tiny furry friend.

Benefits

The digestive enzymes used in the product include Amylase, Protease, Lipase, Cellulase, Lactase, and Bromelain, which support the breakdown of macronutrients present in pet food, aiding in easy digestion and absorption. Probiotics and prebiotics promote an improved balance of gut microbiota, supporting the overall well-being of puppies. The gut health of puppies requires special care, and these soft chews are specially designed to support the health of your little one's sensitive tummy

Ingredients

Chicken & chicken by-products, Meat & meats by-products, Cereals & cereals byproducts, Modified starch, Glycerine, Fresh chicken (6%), Gelatin, Hydrolyzed vegetable protein, Digestive enzyme blend (Amylase, Protease, Lipase, Cellulase, Lactase, Bromaline), Probiotics, Prebiotic fiber FOS, Cumin powder, Asafoetida, Collagen peptide, Emulsifiers, Permitted preservatives, Colour & Antioxidants.
